

Megan McKenna

Megan addressed audiences totalling about 300 in Mosgiel, Dunedin, Oamaru and Gore. As well, she addressed about 400 young people at St Kevin's College as they celebrated the Feast of the Assumption on August 15th. There she gave a powerful oration of the Magnificat, and brilliant commentary. On each occasion her gift as storyteller was used to good effect to illustrate Gospel passages in ways that some participants described as life-changing for them. Her depth of knowledge of Scripture and theology became evident, and the messages she shared were quite refreshing. One catch phrase was: "Every story is true. Some actually happened."

Feast of the Assumption with Megan McKenna

This week at St Kevin's we celebrated the Feast of the Assumption with a liturgy in the College Chapel. As the principal feast of Mary, the mother of Christ, it commemorates her departure from this life and the assumption of her body into heaven. The liturgy was led by College chaplain, Father Wayne Healey, and we were joined by Megan McKenna, who addressed the students. It was wonderful to hear the Edmund Rice Singers perform during the liturgy. College students reflected on those who have encouraged and empowered us in our lives, and prayed for those in our community who have passed away.
